To Whom It May Concern

Reference for:

Vital Safety Services of:

2355 Derry Road, East

Unit 6

Mississauga, ON L5S 1V6

This Letter serves as a reference and commendation for “**Vital Safety Services**”. We became aware of Mr. Mark Fera and Vital Safety Services, through our need for someone to be responsible for checking out various areas of safety here at Scarborough Church of God.

Vital Safety was referred to us by a Client of theirs, and Mark and other Team members came to meet with us. We decided to give their firm a try and have been very pleased with their service.

“Vital Safety Services”, as their name suggests is providing us vital service while satisfying any of our safety concerns relating to being prepared in case of a fire. Mark or an associate comes by monthly to:

- ✓ make sure our fire extinguishers are all tagged and checked
- ✓ all exit lights are working
- ✓ batteries are all good in the exit area lights
- ✓ fire alarm bell tested when scheduled
- ✓ observations and relevant suggestions made when applicable

As a result of their commitment to and business-like approach to us as Clients, we have no hesitation or reservation in giving “**Vital Safety Services**” our recommendation. We wish them every success in all future endeavours, as they continue to give excellent service.

Yours Truly,

Claudette Reid – (Administrative Assistant / Church Secretary)

“Hitherto hath the LORD helped us!” (1 Sam. 7:12)
